# Data Analyst Home

## First time here?

- 1) Make sure to watch our [Welcome Video](#)
- 2) Read our [How it Works guide](#) so you're familiar with the course

## Haven't Signed Up to EntryLevel?

If you've come to this link without signing up on our website, we encourage you to sign up [here](#) for the next program which is in September. Though our content is public, the full experience, team chats and work submissions are only available to those who signed up prior to the 16th of July 2021.

### Benefits of Signing Up (It's free!)

- Be able to work with a team of motivated peers
- Get feedback from your fellow learners
- Get a generated portfolio when you submit your work
- Get access to exclusive job opportunities from the EntryLevel community
